

### **REMARKS**

This amendment is made in response to the "Notice of Drawing Inconsistency with Specification" mailed February 8, 2007, which indicates that Figure 5b is not listed in the Brief Description of the Drawings of the Specification. The Specification has been amended at page 5, line 14 to include a Brief Description of Figure 5b in the Brief Description of the Drawings. Support for this amendment may be found for example, at page 8, line 18. No new matter has been added.

The present amendment corrects the defect identified in the Notice of Drawing Inconsistency, and does not effect the scope of the claims. Entry of the present amendment is respectfully requested. In the event the Examiner deems personal contact desirable in disposition of this application, the Examiner is respectfully requested to call the undersigned attorney at (603) 668-6560.

Respectfully submitted,

/Donald J. Perreault/
